Dear Pastor Noriega,

I am Minister Manny Mejias and I was asked to reach out to our local faith organization as Pima County's Faith Based Liaison during the COVID – 19 Pandemic. My job in this matter is to simply make sure you are aware of the resources and recommendations for faith groups and places of worship. Included in this letter is a guidance for places of worship information sheet, a recommendation sheet concerning what people should do to stay safe and finally a few personal face mask patterns if you or your congregation should find the need for them.

Thank you for your willingness to continue to lead your flock through these times of uncertainty. May the Lord bless and keep you, May He make his face to shine upon you and give you peace.

Sincerely,

Manny Mejias
